ASJ REALTY
CUI ON PUBLICLY ACCESSIBLE SYSTEMS POLICY

=====

Document ID: POL-AC-022
Version: 1.0
Effective Date: June 1, 2026
Review Date: June 1, 2027
Owner: Sandra Okonkwo, IT Coordinator
Approved By: Anthony James, Principal Broker

=====

1. PURPOSE

This policy controls CUI posted or processed on publicly accessible information systems (websites, public portals, social media, public listing platforms).

2. POLICY STATEMENT

CUI must NOT be posted, published, or processed on any publicly accessible system without review and authorization.

3. ASJ REALTY PUBLIC SYSTEMS

The following systems are considered publicly accessible:

- ASJ Realty website (www.asjrealty.com)
- Zillow, Realtor.com, and MLS listing platforms
- Facebook, Instagram, LinkedIn company pages
- Yelp and Google Business Profile

4. CUI PROHIBITION ON PUBLIC SYSTEMS

The following information must NEVER appear on public systems:

- Contract details or CUI from DoD/federal clients
- Personnel information beyond names/roles
- Security configurations or network information
- Client PII beyond what clients have consented to publish
- Any data marked as CUI, FOUO, or Sensitive

5. REVIEW PROCESS

- Any content posted to public platforms must be reviewed by Sandra Okonkwo before posting if it involves contract info
- Annual review of all public-facing content for accidental CUI disclosure (Sandra Okonkwo, each January)
- Employees are trained that CUI cannot appear in listing descriptions, social media posts, or website content

6. INCIDENT RESPONSE

If CUI is discovered on a public platform:

- Remove content immediately
- Report to Anthony James within 1 hour
- Document incident per POL-IR-001
