ASJ REALTY

PHYSICAL FACILITY PROTECTION AND MONITORING POLICY

=====

Document ID: POL-PE-002

Version: 1.0

Effective Date: June 30, 2026

Review Date: June 30, 2027

Owner: Sandra Okonkwo, IT Coordinator

Approved By: Anthony James, Principal Broker

=====

1. PURPOSE

This policy establishes requirements for protecting and monitoring ASJ Realty's physical facilities and infrastructure.

2. FACILITY PHYSICAL SECURITY CONTROLS

2.1 Building Access

- Main entrance: Keyed entry during business hours
- After hours: Key fob access (authorized staff only)
- Visitor entrance: Reception must buzz visitors in
- All exterior doors are alarmed

2.2 IT Infrastructure Areas

- Server room: Electronic keypad lock (code known only to Sandra Okonkwo and Anthony James)
- Network closet: Keyed lock (Sandra Okonkwo holds key)
- Wiring closet: Keyed lock (Sandra holds key)

3. MONITORING

3.1 Security Cameras

- 8 HD IP cameras cover: all entrances/exits, server room, network closet, main office area, parking lot
- Recording: 24/7 continuous to on-site NVR (30-day retention)
- Reviewed: Sandra reviews logs weekly and upon any incident

3.2 Alarm System

- Intrusion alarm: ADT monitored (24/7)
- Motion sensors in server room and IT areas
- Door sensors on all exterior and IT room doors
- Alert sent to Sandra Okonkwo and Anthony James via SMS

4. SUPPORT INFRASTRUCTURE

- UPS (APC) for all servers and network equipment
- Generator on-site for power failure > 30 minutes
- HVAC with temperature monitoring alert (threshold: 80F)
