

■SYSTEM AND COMMUNICATIONS PROTECTION POLICY

Organization: ASJ Realty

Control: 3.13.2 - Security Architecture

Version: 1.2 | Effective: 2026-01-15

Owner: Sandra Okonkwo, IT Director | Approved: Anthony James, Office Manager

1. PURPOSE

This policy requires ASJ Realty to employ architectural designs, software development techniques, and systems engineering principles that promote security as part of the CUI environment, per NIST SP 800-171 Rev. 2 control 3.13.2.

2. SCOPE

All ASJ Realty system design decisions affecting CUI systems.

3. REQUIREMENTS

- a. CUI systems follow a defense-in-depth architecture.
- b. Security is considered from the initial design phase of any new system.
- c. The CUI environment architecture is documented and maintained.
- d. Vendor solutions are evaluated for security before deployment.
- e. Security architecture is reviewed annually or after significant changes.

4. RESPONSIBILITY

Sandra Okonkwo, IT Director, designs and documents CUI system architecture with security as a core principle.

5. ENFORCEMENT

New systems without security architecture review may not process CUI.
