AUDIT LOG MANAGEMENT ACCESS CONTROL POLICY

=====

Document ID: POL-AU-009

Version: 1.0

Effective Date: June 5, 2026

Review Date: June 5, 2027

Owner: Sandra Okonkwo, IT Coordinator

Approved By: Anthony James, Principal Broker

=====

1. PURPOSE

This policy limits the management of audit logging to a subset of privileged users to ensure logs are protected from tampering by those whose activities are being logged.

2. AUTHORIZED AUDIT ADMINISTRATORS

Only the following individuals may manage audit logging:

- Sandra Okonkwo (IT Coordinator) - Primary
- Anthony James (Principal Broker) - Emergency backup only

3. RESTRICTED MANAGEMENT FUNCTIONS

Only authorized audit administrators may:

- Configure which events are logged
- Modify audit log retention settings
- Access and export audit logs for investigation
- Create or modify SIEM alert rules
- Add or remove log sources

4. SEPARATION PRINCIPLE

- No user can modify the audit log for their own activities
- Sandra Okonkwo cannot modify audit logs that record her own actions without Anthony James being notified
- Changes to audit configuration are themselves logged

5. TECHNICAL ENFORCEMENT

- Microsoft Sentinel RBAC: only sokonkwo@asjrealty.com and ajames@asjrealty.com have Sentinel Contributor role
- Sentinel audit configuration changes are captured in Azure Activity Log and forwarded to Sentinel
- Regular user accounts have no access to Sentinel

6. REVIEW

Sandra Okonkwo reviews who has audit management access quarterly and certifies the list to Anthony James.
