

■ACCESS CONTROL IMPLEMENTATION EVIDENCE

Organization: Blue Ridge Technology Solutions LLC

Control: 3.1.4 - Separation of Duties

Prepared By: Nathan Cruz, IT Manager | Date: 2026-07-10

1. SUMMARY

Evidence that Blue Ridge Technology Solutions LLC separates duties to reduce insider risk for CUI system operations.

2. ROLE SEPARATION MATRIX

Function | Requester | Approver | Implementer

New CUI account | Department Head | Victor Osei | Nathan Cruz

Privileged access grant | Nathan Cruz | Victor Osei | Nathan Cruz

CUI data deletion | Nathan Cruz | Victor Osei | Dual sign-off

Azure AD Roles: Nathan Cruz holds Global Admin; Victor Osei holds Security Reader (read-only audit access).

No single user holds both Global Admin and Billing Admin roles.

3. AUDIT LOG INDEPENDENCE

Microsoft Sentinel audit logs: Read access limited to Victor Osei and external assessor accounts.

Nathan Cruz cannot modify or delete audit log data.

4. SYSTEM DETAILS

Primary Workstation: BRTS-WS-001 | User: n.cruz@blueridgetech.com

5. CONCLUSION

Blue Ridge Technology Solutions LLC enforces separation of duties across critical CUI functions per control 3.1.4.
