

■PHYSICAL AND ENVIRONMENTAL PROTECTION POLICY

Organization: Blue Ridge Technology Solutions LLC

Control: 3.10.3 - Visitor Escort and Monitoring

Version: 1.2 | Effective: 2026-01-15

Owner: Nathan Cruz, IT Manager | Approved: Victor Osei, Director of Operations

1. PURPOSE

This policy requires Blue Ridge Technology Solutions LLC to escort visitors and monitor visitor activity in CUI areas, per NIST SP 800-171 Rev. 2 control 3.10.3.

2. SCOPE

All visitors (non-Blue Ridge Technology Solutions LLC employees) entering CUI facilities.

3. REQUIREMENTS

- a. All visitors are signed in via the visitor log before entering CUI areas.
- b. Visitors are escorted by authorized Blue Ridge Technology Solutions LLC personnel at all times in CUI areas.
- c. Visitors are never left unattended with CUI systems or documents.
- d. Visitor log records name, organization, purpose, escort, entry/exit times.
- e. Visitor log is retained for 1 year.

4. RESPONSIBILITY

Victor Osei or Nathan Cruz escorts all visitors in CUI areas. Nathan Cruz maintains visitor log.

5. ENFORCEMENT

Unescorted visitors in CUI areas are a security incident.

Signed: Victor Osei, Director of Operations | Blue Ridge Technology Solutions LLC | 2026-01-15
