

■SYSTEM AND INFORMATION INTEGRITY IMPLEMENTATION EVIDENCE

Organization: Blue Ridge Technology Solutions LLC

Control: 3.14.7 - Unauthorized Use Detection

Prepared By: Nathan Cruz, IT Manager | Date: 2026-07-10

1. SUMMARY

Evidence that Blue Ridge Technology Solutions LLC identifies and responds to unauthorized use of CUI systems.

2. UNAUTHORIZED USE DETECTION CAPABILITIES

Microsoft Sentinel - User Entity Behavior Analytics (UEBA):

Status: Enabled

Scope: All Azure AD accounts in blueridgetech.com

Baselines: Established from 90 days of behavioral data

Detections: Access outside normal hours, new app access, impossible travel, mass downloads

Microsoft Defender for Cloud Apps (MCAS):

Status: Connected to M365 tenant

Monitoring: All SharePoint, Teams, Exchange access

Anomaly detection: Enabled (unusually large download, activity from anonymous IP, etc.)

3. USER MONITORING CONSENT

System use banner displayed at Windows login on BRTS-WS-001 and WS-002:

Banner text: "This system is the property of Blue Ridge Technology Solutions LLC. Authorized use only. All activity is monitored and logged. By continuing you consent to monitoring."

GPO: LoginBanner-Blue Ridge Technology Solutions LLC | Verified: 2026-06-30

4. UNAUTHORIZED USE DETECTION LOG (FY2026)

Date | Event | System | User Account | Action

2026-04-22 | Off-hours SharePoint access 2am | SharePoint | n.cruz@blueridgetech.com | Investigated, Nathan Cruz confirmed authorized (late night work)

2026-05-15 | Large file download (2.3GB) | OneDrive | Staff-2 | Investigated - Q1 report export, authorized

Confirmed unauthorized use incidents: 0

5. INVESTIGATION PROCEDURE

All UEBA/MCAS alerts are:

- a. Triaged within 4 hours
- b. Documented in incident log
- c. Escalated to Victor Osei if confirmed unauthorized
- d. Account suspended immediately on confirmed unauthorized access

6. CONCLUSION

Blue Ridge Technology Solutions LLC uses Sentinel UEBA and Microsoft Defender for Cloud Apps to continuously detect unauthorized system use with 0 confirmed incidents in FY2026 per control 3.14.7.
