

■MEDIA PROTECTION POLICY

Organization: Blue Ridge Technology Solutions LLC

Control: 3.8.5 - Media Transport Controls

Version: 1.2 | Effective: 2026-01-15

Owner: Nathan Cruz, IT Manager | Approved: Victor Osei, Director of Operations

1. PURPOSE

This policy controls the transport of CUI media outside of controlled areas, per NIST SP 800-171 Rev. 2 control 3.8.5.

2. SCOPE

All Blue Ridge Technology Solutions LLC CUI media transported outside of secure office areas.

3. REQUIREMENTS

- a. CUI media transport outside of secured areas requires advance approval from Victor Osei.
- b. CUI media in transit is encrypted and kept in physical possession of the transporter.
- c. Transport is documented in the media transport log.
- d. CUI media is never checked in luggage during air travel.
- e. Lost or stolen CUI media is reported to Nathan Cruz and Victor Osei within 1 hour of discovery.

4. RESPONSIBILITY

Nathan Cruz, IT Manager, manages media transport approvals and documentation.

5. ENFORCEMENT

Unapproved CUI media transport is a security violation.

Signed: Victor Osei, Director of Operations | Blue Ridge Technology Solutions LLC | 2026-01-15
