

■PERSONNEL SECURITY POLICY

Organization: Blue Ridge Technology Solutions LLC

Control: 3.9.2 - Personnel Termination and Transfer

Version: 1.2 | Effective: 2026-01-15

Owner: Nathan Cruz, IT Manager | Approved: Victor Osei, Director of Operations

1. PURPOSE

This policy ensures Blue Ridge Technology Solutions LLC takes protective measures when personnel are terminated or transferred, per NIST SP 800-171 Rev. 2 control 3.9.2.

2. SCOPE

All Blue Ridge Technology Solutions LLC personnel departures, transfers, and changes in role affecting CUI access.

3. REQUIREMENTS

- a. Upon termination, all CUI access (logical and physical) is revoked within 24 hours.
- b. Blue Ridge Technology Solutions LLC property including devices, keys, and media is collected at or before departure.
- c. Terminated personnel are briefed on continuing CUI confidentiality obligations.
- d. Transfer to a new role triggers access review to ensure alignment with new responsibilities.
- e. Termination procedures are documented and tracked via a termination checklist.

4. RESPONSIBILITY

Victor Osei, Director of Operations, initiates termination procedures. Nathan Cruz executes logical access revocation.

5. ENFORCEMENT

Failure to complete termination procedures within 24 hours is a policy violation.
