

■ACCESS CONTROL POLICY

Organization: Bumpass Fire & Rescue

Control: 3.1.15 - Remote Privileged Command Authorization

Version: 1.2 | Effective: 2026-01-15

Owner: Mike Sadler, IT Coordinator | Approved: Randy Bowles, Fire Chief

1. PURPOSE

This policy authorizes remote execution of privileged commands and security-relevant information access via remote access only for documented operational needs, per NIST SP 800-171 Rev. 2 control 3.1.15.

2. SCOPE

All Bumpass Fire & Rescue personnel who execute privileged administrative commands remotely.

3. REQUIREMENTS

- a. Remote privileged command execution requires a documented service ticket or change request.
- b. All remote privileged sessions are recorded and reviewed.
- c. Randy Bowles authorizes remote privileged access requests in advance.
- d. Emergency remote privileged access requires after-action documentation within 24 hours.
- e. Remote privileged access is audited monthly by Mike Sadler.

4. RESPONSIBILITY

Mike Sadler, IT Coordinator, executes privileged commands remotely only under documented authorization.

5. ENFORCEMENT

Unauthorized remote privileged command execution is an immediate security incident.
