

■ ACCESS CONTROL POLICY

Organization: Bumpass Fire & Rescue

Control: 3.1.4 - Separation of Duties

Version: 1.2 | Effective: 2026-01-15

Owner: Mike Sadler, IT Coordinator | Approved: Randy Bowles, Fire Chief

1. PURPOSE

This policy separates duties of individuals at Bumpass Fire & Rescue to reduce the risk of malevolent activity without collusion, per NIST SP 800-171 Rev. 2 control 3.1.4.

2. SCOPE

All Bumpass Fire & Rescue personnel with access to CUI systems or privileged administrative functions.

3. REQUIREMENTS

- a. No single individual shall control all phases of a critical business or IT operation.
- b. Account creation/approval and account provisioning roles are assigned to different individuals.
- c. Mike Sadler administers accounts; Randy Bowles approves new privileged access requests.
- d. System audit log access is restricted to personnel independent of daily operations.
- e. Dual authorization is required for deletion of CUI data.

4. RESPONSIBILITY

Mike Sadler implements technical controls. Randy Bowles ensures organizational enforcement.

5. ENFORCEMENT

Deliberate circumvention of separation-of-duties controls is grounds for immediate termination.
