

=====

BUMPASS VOLUNTEER FIRE & RESCUE DEPARTMENT
LEAST PRIVILEGE ACCESS POLICY

=====

Document ID: POL-IT-003

Version: 1.4

Effective Date: March 1, 2026

Review Date: March 1, 2027

Owner: IT Coordinator, Derek Holt

Approved By: Fire Chief, Raymond Stubbs

=====

1. PURPOSE

Bumpass Fire & Rescue handles sensitive federal grant data, personnel records, and emergency communications systems covered under CUI. This policy ensures all personnel access only the minimum information and system capabilities required to perform their job duties.

2. SCOPE

Applies to all firefighters, EMTs, administrative staff, volunteers, and any contractors accessing department systems including the CAD (Computer-Aided Dispatch) system, records management system (RMS), and grant administration portal.

3. LEAST PRIVILEGE REQUIREMENTS

3.1 Role Definitions

The following access roles are defined for department systems:

ROLE: Firefighter/EMT

- Read access to incident reports for own station
- No access to personnel records or financial data
- CAD: Respond/Update own calls only

ROLE: Station Captain

- Read/write access to incident reports for own station
- Read access to personnel records for own crew
- CAD: Full access for assigned station

ROLE: Administrative Staff

- Access to grant portal and financial systems only
- No access to CAD dispatch functions
- Read-only access to incident statistics

ROLE: IT Coordinator

- Full system administration access
- Maintains separate standard user account for daily tasks
- Admin account used only for administrative functions

ROLE: Fire Chief

- Read access to all systems
- Approve access change requests

3.2 Privileged Accounts

- Privileged accounts are limited to the IT Coordinator only
- A separate non-privileged account is used for email and daily non-administrative tasks
- Privileged sessions are logged and reviewed monthly

3.3 Access Review

- Access roles are reviewed every 6 months
- Any role not used in 60 days is flagged for removal
- New roles require Chief approval before creation

3.4 Separation

- No single user may have both financial approval AND payment processing rights
- Dispatch and personnel records access cannot be combined in any single non-IT account

4. ENFORCEMENT

Violations result in immediate account suspension pending review by the Fire Chief and IT Coordinator.

5. REVIEW HISTORY

- v1.0 - 2024-09-01 Initial policy
- v1.2 - 2025-03-01 Added CAD role definitions
- v1.4 - 2026-03-01 Updated privileged account requirements

Approved: Raymond Stubbs, Fire Chief 03/01/2026
Prepared: Derek Holt, IT Coordinator 02/28/2026
