

■PHYSICAL AND ENVIRONMENTAL PROTECTION POLICY

Organization: Bumpass Fire & Rescue

Control: 3.10.6 - Alternate Work Site Security

Version: 1.2 | Effective: 2026-01-15

Owner: Mike Sadler, IT Coordinator | Approved: Randy Bowles, Fire Chief

1. PURPOSE

This policy establishes security requirements for Bumpass Fire & Rescue personnel working at alternate work sites (e.g., home offices), per NIST SP 800-171 Rev. 2 control 3.10.6.

2. SCOPE

All Bumpass Fire & Rescue personnel who work remotely or from alternate sites with access to CUI.

3. REQUIREMENTS

- a. Personnel must sign a remote work agreement before accessing CUI from alternate sites.
- b. Remote work environments must include: locked workspace, encrypted devices, VPN use.
- c. Printers at alternate sites may not be used to print CUI without explicit approval.
- d. CUI documents may not be left visible in unsecured home office areas.
- e. Mike Sadler conducts annual remote work security reviews for all remote-capable staff.

4. RESPONSIBILITY

Mike Sadler, IT Coordinator, provides remote work security guidance and Randy Bowles approves alternate work arrangements.

5. ENFORCEMENT

Personnel working from unsecured alternate sites with CUI are in violation of this policy.
