

■SYSTEM AND COMMUNICATIONS PROTECTION IMPLEMENTATION EVIDENCE

Organization: Bumpass Fire & Rescue

Control: 3.13.10 - Cryptographic Key Management

Prepared By: Mike Sadler, IT Coordinator | Date: 2026-07-10

1. SUMMARY

Evidence that Bumpass Fire & Rescue manages cryptographic keys using Azure Key Vault.

2. KEY VAULT CONFIGURATION

Azure Key Vault: kv-m.sadler-cui

Resource Group: rg-Bumpass Fire & Rescue-cui

Location: East US (US-based)

Access Policy: RBAC mode

Key Vault Access (RBAC assignments):

- Mike Sadler (m.sadler@bumpassfire.org): Key Vault Administrator
- Automation service principal: Key Vault Secrets User (read-only)
- Randy Bowles: No direct access

3. MANAGED KEYS AND CERTIFICATES

Key/Secret Name	Type	Rotation	Last Rotated	Expiry
-----------------	------	----------	--------------	--------

BitLocker-RecoveryKey	Secret	Annual	2026-01-01	2027-01-01
-----------------------	--------	--------	------------	------------

TLS-Cert-bumpassfire.org	Certificate	Annual	2026-02-01	2027-02-01
--------------------------	-------------	--------	------------	------------

AppReg-ClientSecret	Secret	Annual	2026-03-01	2027-03-01
---------------------	--------	--------	------------	------------

SMTP-Auth-Password	Secret	Annual	2026-01-01	2027-01-01
--------------------	--------	--------	------------	------------

4. KEY AUDIT LOG (sample - last 30 days)

2026-07-01	m.sadler@bumpassfire.org	SecretGet	BitLocker-RecoveryKey	Success
------------	--------------------------	-----------	-----------------------	---------

2026-07-08	automation-sp	SecretGet	SMTP-Auth-Password	Success
------------	---------------	-----------	--------------------	---------

No unauthorized access attempts detected.

5. KEY ROTATION SCHEDULE

All keys scheduled for annual rotation. Next rotation: January 2027.

Rotation alert configured in Azure Monitor - notifies Mike Sadler 30 days before expiry.

6. CONCLUSION

Bumpass Fire & Rescue manages all cryptographic keys in Azure Key Vault with annual rotation and audit logging per control 3.13.10.
