

■SYSTEM AND COMMUNICATIONS PROTECTION POLICY

Organization: Bumpass Fire & Rescue

Control: 3.13.12 - Collaborative Computing Devices

Version: 1.2 | Effective: 2026-01-15

Owner: Mike Sadler, IT Coordinator | Approved: Randy Bowles, Fire Chief

1. PURPOSE

This policy requires Bumpass Fire & Rescue to prohibit remote activation of collaborative computing devices and provide indication of use to present users, per NIST SP 800-171 Rev. 2 control 3.13.12.

2. SCOPE

All collaborative computing devices (cameras, microphones, screen sharing) at Bumpass Fire & Rescue.

3. REQUIREMENTS

- a. Cameras and microphones cannot be remotely activated without user awareness.
- b. Physical privacy covers are used on CUI workstations.
- c. Camera hardware indicators (LED) must be active when in use.
- d. Screen sharing requires explicit user action and consent.
- e. CUI spaces do not have always-on listening devices (smart speakers, voice assistants).

4. RESPONSIBILITY

Mike Sadler, IT Coordinator, enforces collaborative device policies through GPO and physical controls.

5. ENFORCEMENT

Unauthorized camera/microphone activation is a critical incident.
