

■ AWARENESS AND TRAINING IMPLEMENTATION EVIDENCE

Organization: Bumpass Fire & Rescue

Control: 3.2.3 - Insider Threat Reporting

Prepared By: Mike Sadler, IT Coordinator | Date: 2026-07-10

1. SUMMARY

Evidence that Bumpass Fire & Rescue trains personnel to report insider threat indicators and maintains reporting mechanisms.

2. REPORTING MECHANISMS

Primary: Direct report to Randy Bowles (Randy.Bowles@bumpassfire.org)

Secondary: Anonymous tip email (security-reports@bumpassfire.org) - managed by Mike Sadler

Physical: Drop-box in office (sealed, reviewed weekly by Randy Bowles)

Reporting channel communicated via:

- Annual training module
- Printed poster in break room
- New-hire orientation packet

3. TRAINING CONTENT (Reporting Module)

Covered in KnowBe4 module "Insider Threat Reporting Procedures" (20 min):

- What constitutes a reportable concern
- How to submit a report (anonymous and named options)
- What happens after a report is submitted
- Non-retaliation guarantee

4. REPORT LOG (FY2026)

Reports received: 1 (anonymous tip - 2026-04-15)

Nature: Unusual after-hours file access concern

Resolution: Mike Sadler reviewed audit logs; confirmed authorized scheduled backup. No threat found.

5. CONCLUSION

Bumpass Fire & Rescue maintains active insider threat reporting mechanisms and trains all personnel per control 3.2.3.
