

■ MEDIA PROTECTION IMPLEMENTATION EVIDENCE

Organization: Bumpass Fire & Rescue

Control: 3.8.4 - CUI Media Marking

Prepared By: Mike Sadler, IT Coordinator | Date: 2026-07-10

1. SUMMARY

Evidence that Bumpass Fire & Rescue marks CUI media with required CUI designations.

2. PHYSICAL MEDIA LABELING

Label Standard: NARA CUI labels (printed from cui.gov)

Label Applied to: USB drive body + case, external HDD case, backup media containers

Physical Media Labeled (Current):

Item | Label Applied | Date | Verified by

USB KI-001 | "CUI" orange label | 2026-01-15 | Mike Sadler

USB KI-002 | "CUI" orange label | 2026-01-15 | Mike Sadler

Backup HDD | "CUI - Bumpass Fire & Rescue" | 2026-01-20 | Mike Sadler

3. DIGITAL FILE MARKING

SharePoint CUI site: All document templates include "CUI" header and footer

File naming convention: Files with CUI include "-CUI" suffix (e.g., Contract-Q2-CUI.docx)

Microsoft Purview: Sensitivity label "CUI" applied to CUI documents (enforced via DLP)

Sample labeled file: DFARS-Compliance-Q2-CUI.docx

Header: "CONTROLLED UNCLASSIFIED INFORMATION"

Footer: "CUI - Handle per NARA/DoD guidelines"

4. QUARTERLY MARKING REVIEW

Date: 2026-06-30 | Reviewer: Mike Sadler

Physical media: All 3 items labeled. Labels legible and current.

SharePoint: 12 CUI files reviewed. All include CUI header/footer. 0 unmarked CUI files.

5. CONCLUSION

Bumpass Fire & Rescue applies and verifies CUI markings on all physical and digital CUI media per control 3.8.4.
