

■ACCESS CONTROL IMPLEMENTATION EVIDENCE

Organization: Keith the Drone Guy LLC

Control: 3.1.4 - Separation of Duties

Prepared By: Keith Merritt, Owner-Operator | Date: 2026-07-10

1. SUMMARY

Evidence that Keith the Drone Guy LLC separates duties to reduce insider risk for CUI system operations.

2. ROLE SEPARATION MATRIX

Function | Requester | Approver | Implementer

New CUI account | Department Head | Keith Merritt | Keith Merritt

Privileged access grant | Keith Merritt | Keith Merritt | Keith Merritt

CUI data deletion | Keith Merritt | Keith Merritt | Dual sign-off

Azure AD Roles: Keith Merritt holds Global Admin; Keith Merritt holds Security Reader (read-only audit access).

No single user holds both Global Admin and Billing Admin roles.

3. AUDIT LOG INDEPENDENCE

Microsoft Sentinel audit logs: Read access limited to Keith Merritt and external assessor accounts.

Keith Merritt cannot modify or delete audit log data.

4. SYSTEM DETAILS

Primary Workstation: KDG-WS-001 | User: k.merritt@keithdroney.com

5. CONCLUSION

Keith the Drone Guy LLC enforces separation of duties across critical CUI functions per control 3.1.4.
