

■PHYSICAL AND ENVIRONMENTAL PROTECTION POLICY

Organization: Keith the Drone Guy LLC

Control: 3.10.6 - Alternate Work Site Security

Version: 1.2 | Effective: 2026-01-15

Owner: Keith Merritt, Owner-Operator | Approved: Keith Merritt, Owner-Operator

1. PURPOSE

This policy establishes security requirements for Keith the Drone Guy LLC personnel working at alternate work sites (e.g., home offices), per NIST SP 800-171 Rev. 2 control 3.10.6.

2. SCOPE

All Keith the Drone Guy LLC personnel who work remotely or from alternate sites with access to CUI.

3. REQUIREMENTS

- a. Personnel must sign a remote work agreement before accessing CUI from alternate sites.
- b. Remote work environments must include: locked workspace, encrypted devices, VPN use.
- c. Printers at alternate sites may not be used to print CUI without explicit approval.
- d. CUI documents may not be left visible in unsecured home office areas.
- e. Keith Merritt conducts annual remote work security reviews for all remote-capable staff.

4. RESPONSIBILITY

Keith Merritt, Owner-Operator, provides remote work security guidance and Keith Merritt approves alternate work arrangements.

5. ENFORCEMENT

Personnel working from unsecured alternate sites with CUI are in violation of this policy.

Signed: Keith Merritt, Owner-Operator | Keith the Drone Guy LLC | 2026-01-15
