=====

1. PURPOSE

This policy trains personnel to recognize and report potential indicators of insider threat activity at Keith the Drone Guy LLC.

2. INSIDER THREAT INDICATORS - STAFF ARE TRAINED TO RECOGNIZE

Technical indicators:

- Accessing data not required for job duties
- Downloading unusually large volumes of files
- Attempting to access systems after termination
- Inserting unauthorized removable media
- Using personal email for work files
- Disabling security software

Behavioral indicators:

- Expressing intent to harm the company or government
- Disgruntlement combined with data access changes
- Unexplained wealth or lifestyle changes
- Working unusual hours with unusual data access

3. REPORTING REQUIREMENTS

Any observed indicator must be reported to Keith Merritt within 24 hours. Reports are made via:

- Direct communication (preferred)
- Email to keith@keiththedroneguy.com (confidential)

4. TRAINING DELIVERY

Training is delivered via KnowBe4 annually and reinforced during quarterly team meetings where one security topic is reviewed. Insider threat is covered each Q3 meeting.

5. ANTI-RETALIATION

No employee will face retaliation for good-faith reporting of suspected insider threat activity.
