

■IDENTIFICATION AND AUTHENTICATION POLICY

Organization: Keith the Drone Guy LLC

Control: 3.5.9 - Temporary Password Management

Version: 1.2 | Effective: 2026-01-15

Owner: Keith Merritt, Owner-Operator | Approved: Keith Merritt, Owner-Operator

1. PURPOSE

This policy allows Keith the Drone Guy LLC to employ temporary passwords with an immediate change requirement upon first use, per NIST SP 800-171 Rev. 2 control 3.5.9.

2. SCOPE

All temporary, one-time, or provisioning passwords issued by Keith the Drone Guy LLC.

3. REQUIREMENTS

- a. Temporary passwords require immediate change upon first login.
- b. Temporary passwords expire within 24 hours if not used.
- c. Temporary passwords are communicated to users via secure channel (encrypted email or in-person).
- d. Keith Merritt logs all temporary password issuances.
- e. Accounts with temporary passwords that expire unused are reviewed within 48 hours.

4. RESPONSIBILITY

Keith Merritt, Owner-Operator, issues and tracks temporary passwords.

5. ENFORCEMENT

Temporary passwords that are not changed within 24 hours result in account lockout.
