

■ MEDIA PROTECTION IMPLEMENTATION EVIDENCE

Organization: Keith the Drone Guy LLC

Control: 3.8.5 - Media Transport Controls

Prepared By: Keith Merritt, Owner-Operator | Date: 2026-07-10

1. SUMMARY

Evidence that Keith the Drone Guy LLC controls the transport of CUI media outside secure areas.

2. TRANSPORT AUTHORIZATION PROCESS

Step 1: Requestor submits transport request to Keith Merritt (email or ticket)

Step 2: Keith Merritt verifies media encryption status

Step 3: Keith Merritt approves transport request

Step 4: Transporter signs out media in transport log

Step 5: Transporter returns media and signs back in

3. MEDIA TRANSPORT LOG (FY2026)

Date | Media | Transported By | Destination | Purpose | Approved | Return Date

2026-03-12 | USB KI-001 | Keith Merritt | DoD Contractor mtg | Contract docs | Keith Merritt |

2026-03-12

2026-06-05 | USB KI-001 | Keith Merritt | Client meeting | Deliverables | Keith Merritt | 2026-06-05

Transport outside office: 2 events. Media encrypted in both cases. Kept in hand carry.

4. ENCRYPTION VERIFICATION (Pre-Transport)

Before each transport, Keith Merritt verifies:

- USB drive encryption active (hardware IronKey status indicator: LOCKED)
- Files accessible only with PIN

5. LOST/STOLEN MEDIA INCIDENTS

FY2026: 0 incidents

6. CONCLUSION

Keith the Drone Guy LLC controls CUI media transport with documented approval and encryption verification per control 3.8.5.
