

■SYSTEM AND COMMUNICATIONS PROTECTION POLICY

Organization: Money Straight Talk LLC

Control: 3.13.12 - Collaborative Computing Devices

Version: 1.2 | Effective: 2026-01-15

Owner: Terrell Banks, Systems Admin | Approved: Camille Odom, CEO

1. PURPOSE

This policy requires Money Straight Talk LLC to prohibit remote activation of collaborative computing devices and provide indication of use to present users, per NIST SP 800-171 Rev. 2 control 3.13.12.

2. SCOPE

All collaborative computing devices (cameras, microphones, screen sharing) at Money Straight Talk LLC.

3. REQUIREMENTS

- a. Cameras and microphones cannot be remotely activated without user awareness.
- b. Physical privacy covers are used on CUI workstations.
- c. Camera hardware indicators (LED) must be active when in use.
- d. Screen sharing requires explicit user action and consent.
- e. CUI spaces do not have always-on listening devices (smart speakers, voice assistants).

4. RESPONSIBILITY

Terrell Banks, Systems Admin, enforces collaborative device policies through GPO and physical controls.

5. ENFORCEMENT

Unauthorized camera/microphone activation is a critical incident.
