

■SYSTEM AND COMMUNICATIONS PROTECTION POLICY

Organization: Money Straight Talk LLC

Control: 3.13.3 - Security Function Separation

Version: 1.2 | Effective: 2026-01-15

Owner: Terrell Banks, Systems Admin | Approved: Camille Odom, CEO

1. PURPOSE

This policy requires Money Straight Talk LLC to separate user functionality from information system management functionality, per NIST SP 800-171 Rev. 2 control 3.13.3.

2. SCOPE

All Money Straight Talk LLC CUI systems and the users who access them.

3. REQUIREMENTS

- a. System management functions (admin consoles, configuration tools) are accessible only to Terrell Banks.
- b. Standard users access only user-facing applications and cannot reach management interfaces.
- c. Administrative and user functions run in separate sessions and accounts.
- d. Management interfaces are not exposed on the same network segment as user desktops.
- e. Separation is verified during quarterly access reviews.

4. RESPONSIBILITY

Terrell Banks, Systems Admin, implements and verifies security function separation.

5. ENFORCEMENT

Standard user accounts with management function access are immediately remediated.
