Owner: Terrell Banks, Systems Admin | Approved: Camille Odom, CEO

1. PURPOSE

This policy requires Money Straight Talk LLC to terminate network connections associated with communications sessions after a defined period of inactivity, per NIST SP 800-171 Rev. 2 control 3.13.9.

2. SCOPE

All network sessions in Money Straight Talk LLC CUI systems including VPN, web, and application sessions.

3. REQUIREMENTS

- a. Network sessions terminate after 60 minutes of inactivity.
- b. VPN sessions terminate after 60 minutes idle or 8 hours maximum.
- c. Web application sessions (SharePoint) terminate after 30 minutes idle.
- d. Terminated sessions require full re-authentication.
- e. Session timeout settings are enforced at the network/application level.

4. RESPONSIBILITY

Terrell Banks, Systems Admin, configures session termination on all network services.

5. ENFORCEMENT

Network services without compliant session timeout settings must be remediated within 72 hours.
