Approved By: Camille Odom, Managing Director

=====

1. PURPOSE

This policy requires MST to track, document, and report security incidents to appropriate officials within required timeframes.

2. INCIDENT DOCUMENTATION REQUIREMENTS

For every security incident, the following must be documented:

- Date and time of discovery
- Date and time of occurrence (if different)
- Description of the incident
- Systems and data affected
- CUI involved (yes/no and what type if yes)
- Immediate actions taken
- Root cause (once determined)
- Resolution and recovery steps
- Lessons learned and corrective actions

3. INTERNAL REPORTING CHAIN

- Discovery: Any staff member
- Immediate notification: Terrell Banks (within 1 hour)
- Escalation: Camille Odom (within 2 hours)
- For CUI-involved incidents: Government Contracting Officer must be notified within 72 hours (per DFARS 252.204-7012)

4. EXTERNAL REPORTING

- DoD/DIBNet report: submitted within 72 hours of discovering a cyber incident affecting CUI
- US-CERT report: if required by incident type

5. TRACKING

All incidents tracked in the MST IT Incident Register (SharePoint: IT/Incident-Register.xlsx). Incidents remain open until resolution is confirmed and documented.
